

MEMBERSHIP REGISTRATION

The Maryland Ornithological Society (MOS) is a statewide organization of local chapters. Each sets its own dues, a portion of which goes to the state Society. At-large membership (no local chapter affiliation) is also available.

In either case, **go the MOS Chapters Web page here: [CHAPTERS](#). Choose a chapter link, or the At-large link, where you will find dues categories and instructions.**

The benefits received from Maryland Ornithological Society membership dues are not considered to be substantial, as determined by criteria in IRS Publication 526. Therefore, members can claim a tax deductible charitable contribution for the full amount of their membership dues.

The MOS membership year begins September 1. Use this form if needed.
